FOREWORD

The staff of this the twenty-first edition of the *Canusarago* are proud to present the following pages to you. It is our wish that you will get as much pleasure from reading them as we did from writing them.

We would like to thank the following people for the help they gave us in editing this book: Mr. Stanley Schuyler, our advisor; Mr. Carl Chambers, consultant from the Delmar Printing Company; the Prestwood Photography Company; the merchants whose advertisements helped finance our book; and the many other people who co-operated in making this publication possible.

MR. THOMAS O'BOYLE

Dedication

We the class of 1963 are proud to dedicate our yearbook, the *Canusarago*, to Mr. Thomas O'Boyle. Mr. O'Boyle has served on the high school faculty since 1957, teaching Spanish and French. In 1959 the curriculum was changed, and he now teaches only French.

Mr. O'Boyle is the Sophomore Class advisor and is the director of the Senior Class Play. His hobbies are bowling, golf, spectator sports, and music. Mr. O'Boyle graduated from Wilkes College with a Bachelor of Arts Degree in French, and from Bucknell University with a Master's Degree in Education.

The class of 1963 shall always remember the fun we had, and the serious moments too, with Mr. O'Boyle.

Some great men owe most of their greatness to the ability of detecting in those they destine for their tools the exact quality of strength that matters for their work.

CLASS ADVISOR
Mr. Higgins

Our years spent at Muncy High have helped prepare us for the future, not only in choosing a vocation, but helping us to meet the ever changing needs of our society. We have learned the basic fundamentals of knowledge; but now, the future is up to us, to strive for, and attain the goals of our lives.

Our class is under the leadership of Mr. Higgins. He has done a commendable job in guiding us through our high school years, and we appreciate the help he has given us. Our project this year was selling magazines which helped to finance the class trip. Other activities included the class play, which was very much a success, and class day which was held before graduation.

CLASS HISTORY

We started our career in the Muncy Schools in 1951 with 68 members in our class. Waiting to greet us were Miss Koons, Mrs. Dice and Mrs. McCarty. Our musical talents were displayed in the rhythm bands under the direction of Jane Johnson, Bobby Edwards and Dean Anderson.

In second grade our teachers were Mrs. Merrill and Mrs. Goodenow. On the playground during lunch hour we played big-bad wolf and tag.

Our third year was under the guidance of Mrs. Stahl and Miss Schook. At a P. T. A. meeting the class gave a play about children and customs from foreign countries. We also gave a tea for our mothers. Pete Robbins became a member of the class of "63"

We finally made our way upstairs to the fourth grade rooms. Our teachers that year were Mrs. Smith and Mrs. Poff. Mrs. Smith's room made cranberry sauce for the hospital at Thanksgiving. We took Tonette lessons to prepare us for playing musical instruments. David Hunter joined our class.

Fifth grade was memorable because it was the first year we changed classes. Miss Keener and Mrs. Hill were our teachers. Some boys and girls from Pennsdale were added to our class. Many of us became members of the fifth and sixth grade chorus.

Mrs. Stine and Mr. Douty led us through sixth grade. We became interested in dancing and took lessons from an instructor from the Fry-Lyons Studio.

A new world of excitement was opened to us when we entered seventh grade. Our homeroom teachers were Mrs. Riley and Miss Alvarez. The Pennsdale students joined our class. Linda Wiser, Bonnie Covert, Judy Ritter and Mary White became band members.

CLASS HISTORY

In eighth grade we selected our courses for the next four years. Our homerooms were under the direction of Miss Waldron, Mr. Schuyler and Mr. Maurer. Tommy Ott and Ann Witham became members of our class.

In ninth grade Mr. Hose, Mrs. Yeagle, and Mr. Maurer were our homeroom teachers. Sandra Zarr was chosen May Princess. The P. T. A. Spelling Awards were won by Linda Wiser and Steve Musser. Margie Fry and Leslie Brown joined the cheerleading squad. The American Legion Awards were presented to Linda Wiser and Gary Speary at our ninth grade promotion exercises.

In the tenth grade the boys developed their ball-playing skills by playing catch with a globe. We almost met with disaster when the **world** missed the window by a few inches. Our homeroom teachers were Mrs. Benion, Mr. Winn and Mr. Hughes. Sandra Pealer joined our class. We elected the following officers: President, Tommy Ott; Vice President, Linda Wiser; Secretary, Helen Puderbaugh; Treasurer, Sandra Pealer.

In our junior year the homerooms were supervised by Mrs. Rahtmell, Mr. Maroney, and Mr. Hose. Our class officers were President, Tom Ott; Vice-President, Linda Wiser; Secretary, Leslie Brown; and Treasurer, Margie Fry. Our Prom theme was "Stairway to the Stars". The class project was selling Christmas cards. Steve Young left our class at the end of the year to go to prep school.

We finally became seniors. Miss Long and Mr. Maroney were our homeroom teachers. Leslie Brown was our representative in the Flaming Foliage Festival. Her escort was Pete Robbins. Leslie was also selected as the Homecoming Queen. Her attendants were Margie Fry and Sandy Hall. Our senior class project was selling magazines. The highest salesman was John McCuaig who sold \$220 worth. Our officers were: President, Tommy Ott; Vice-President, Jane Johnson; Secretary, Leslie Brown; and Treasurer, Carl Clark.

IN MEMORIAM

Nothing seems so tragic to one who is old as the death of one who is young, and this alone proves that life is a good thing.

by Zoe Akins

This page is dedicated by the Class of 1963 in memory of Max Mincemoyer, a classmate who lost his life in a tragic accident August 6, 1955.

FACULTY

Teachers should be held in the highest honor. They are allies of legislators; they aid in regulating the atmosphere, whose incessant action and pressure cause the life-blood to circulate, and to return pure and healthful to the heart of the nation.

SCIENCE AND MATHEMATICS

Kenneth Kniley
Algebra, Geometry

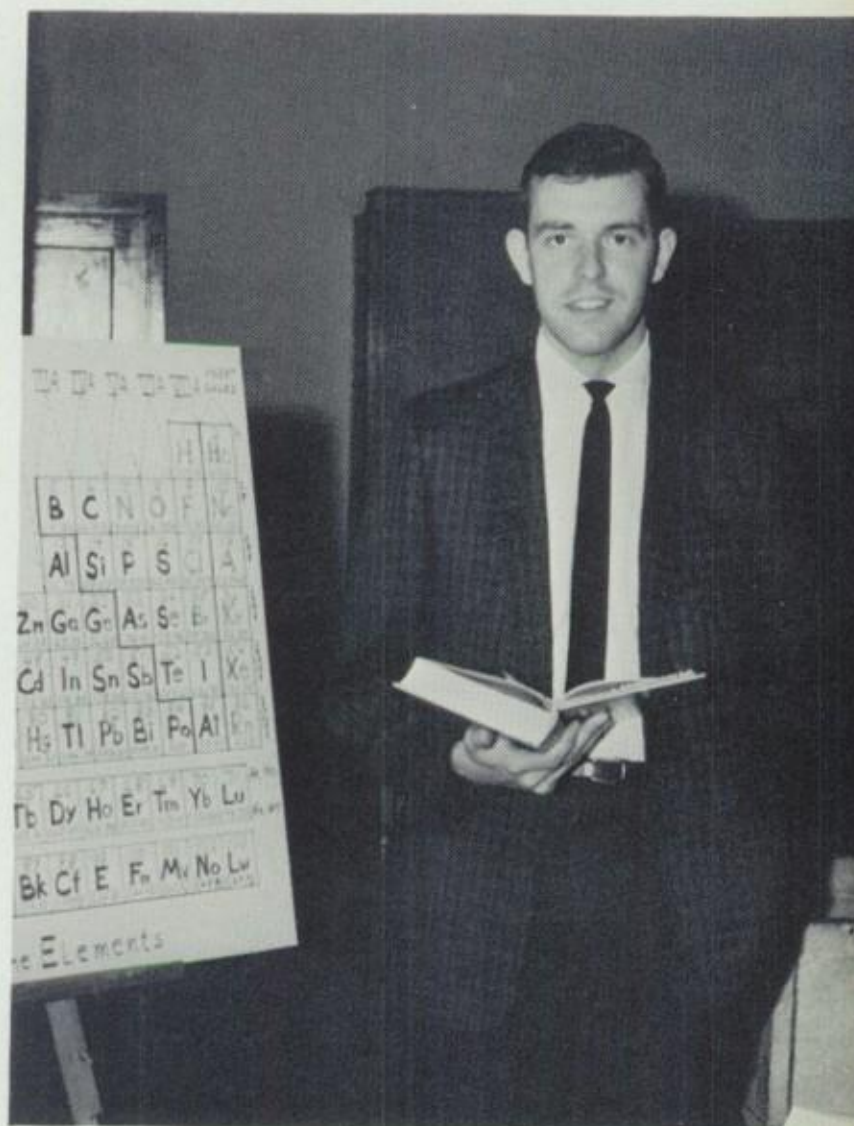

Science and mathematics provide for the growth and development of a scientific attitude.

These courses help to build a systematic method of problem solving. They help to define the problem, discover the essential facts, decide upon a definite course of action, and to do what is necessary to get results.

Mathematics courses include general math, algebra, geometry, and trigonometry. General science, biology, chemistry, and physics make up the science courses.

George Dietz

Lawrence Grieco
Chemistry, Physics, Science

John Hose
Science, Geography

The development of the mathematical ability helps to prepare the pupil for useful service to their community, to their vocation, and to permit the study of higher levels of mathematics.

The sciences give the student a thorough grounding in the fundamental principles of the physical sciences.

Together, these subjects help to create a firm foundation of knowledge on which the student can build by seeking a higher education through college study and through his experiences in everyday life.

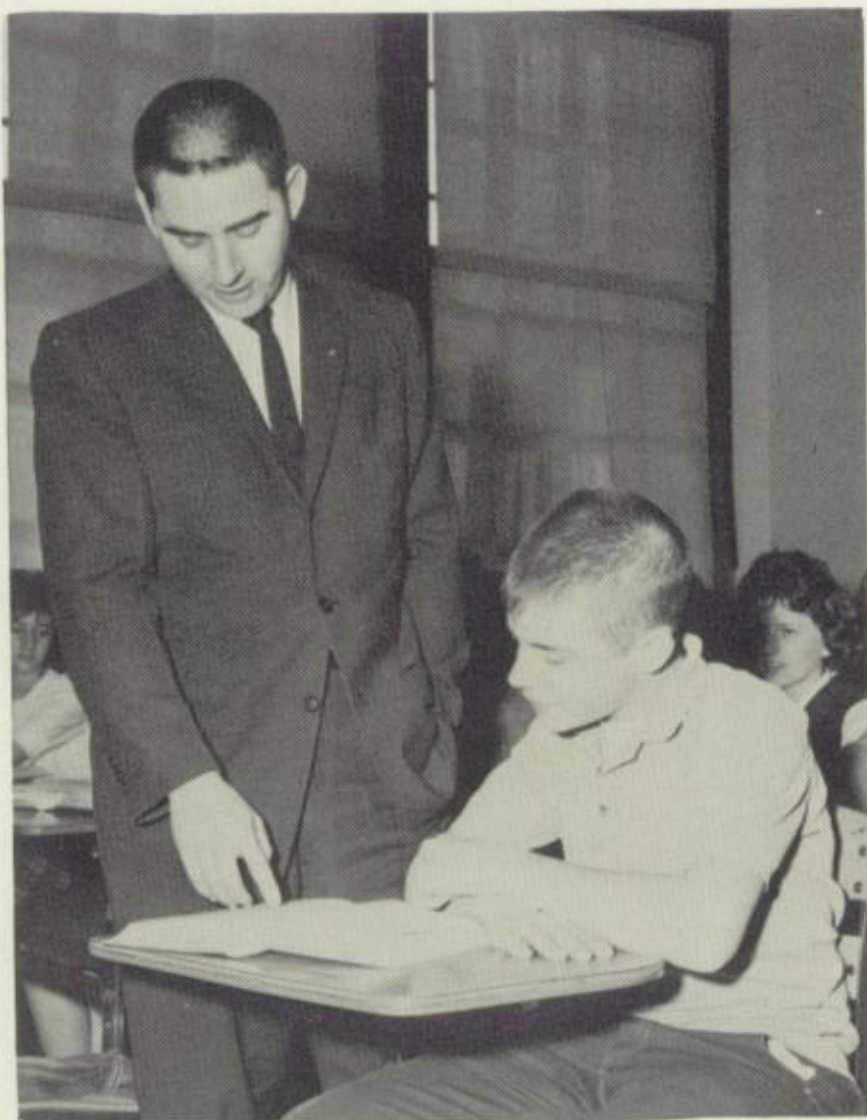

LANGUAGE

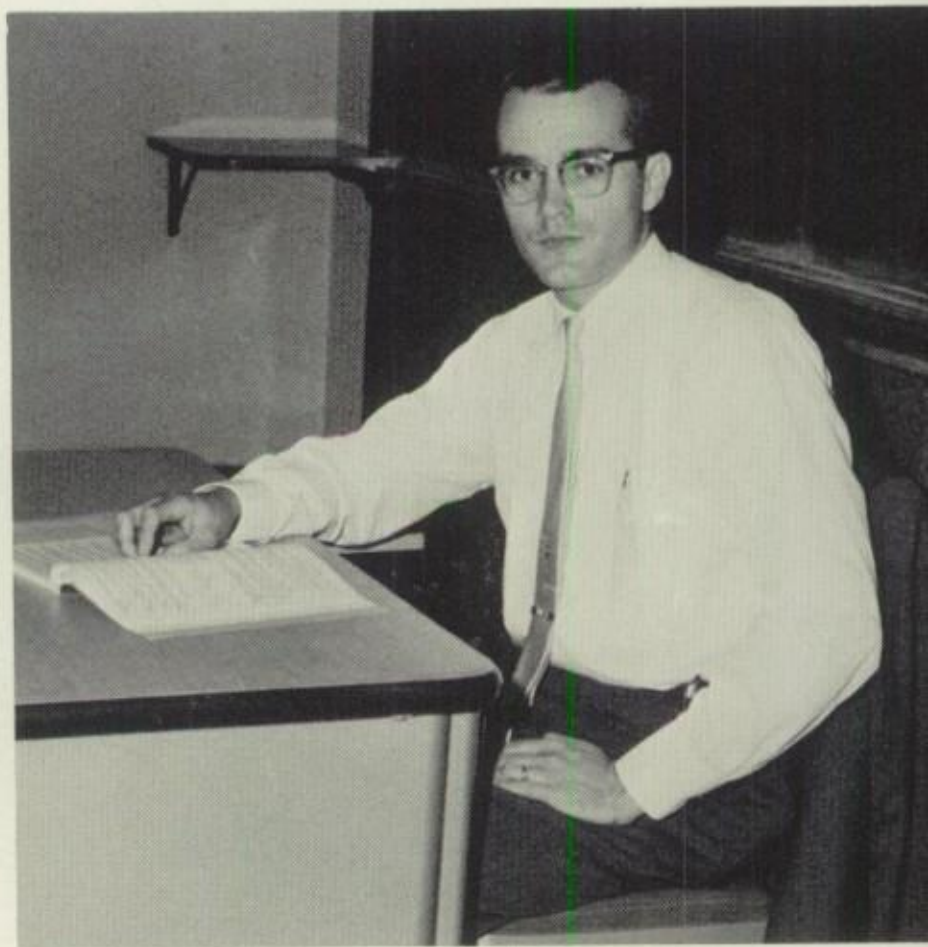

William Higgins
French

"The difference between the right word and the almost right word is the difference between lightning and the lightning bug," said Mark Twain, one of America's best writers. With this statement, teachers of English agree and have as their objective, training their students to read, write, speak, and listen as capably and correctly as the students are able.

The French department tries to build upon the basic points of conversation and grammar learned in the elementary program, and to have the student attain a reasonable degree of fluency in speaking the language, and a reasonable facility in understanding, reading and writing French.

ART AND MUSIC

Art and music are offered to develop the imagination and creativity of the student. They are languages that are universally recognized and enjoyed, and they satisfy man's desire for form and creation.

Art and vocal music are required in grades seven and eight. They are elective in grades nine through twelve.

Instrumental music is entirely elective in grades seven through twelve.

BUSINESS EDUCATION

It takes intelligent businessmen and well trained secretaries to keep businesses functioning properly. Business Education presents the opportunity for students to prepare for such future jobs as secretarial work, clerical work, and business management. In classes such as shorthand, office practice and bookkeeping; students learn the skills of typing, shorthand, and bookkeeping. The student of Business Education learns to meet the challenges and responsibilities of the business world.

Margaret Reuther
Dental Hygienist

Health education is a vital part of the student's life. In this generation more emphasis is placed on the physical well-being of the individual. Health education aims not only toward the absence of disease and infirmity, but also toward a state of complete physical, mental, social, and emotional adjustment.

The physical education classes strive toward better muscular co-ordination and fairness in the sports while the nurse and dental hygienist help to keep the body in good working condition. Health education as a whole, gives to the student a better opportunity to become a well-rounded and healthy individual.

SOCIAL STUDIES

Lynn Poust
History, Everyday Economics

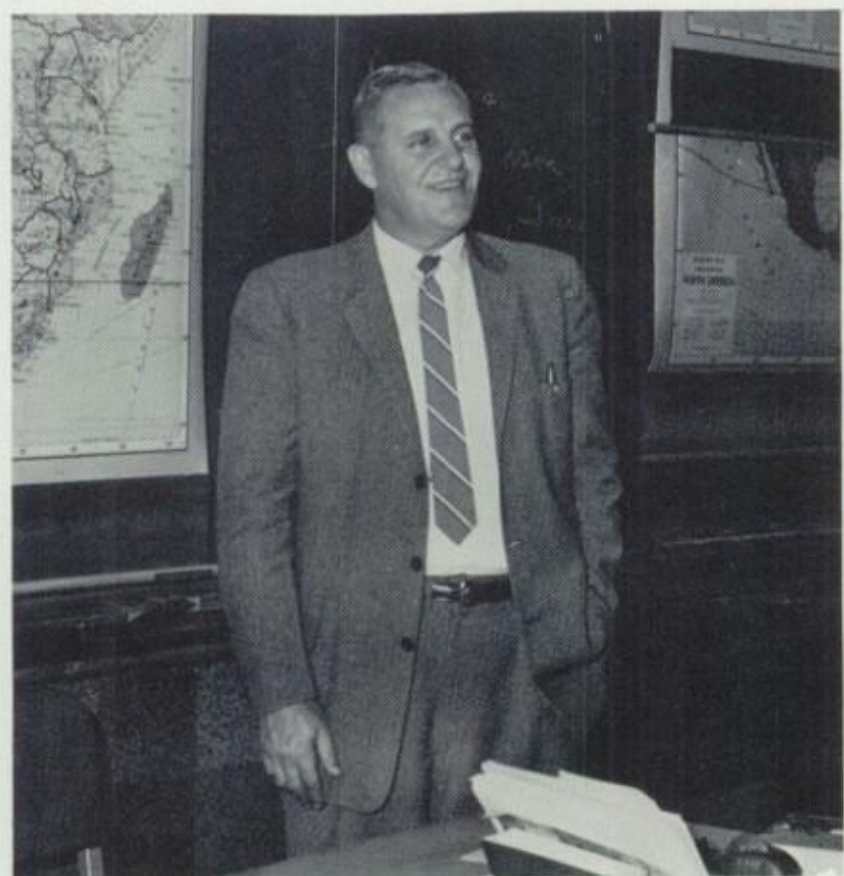

Social studies, which include history, geography, civics and problems of democracy give students an understanding of past events and help them to better prepare for the future. A better understanding is pertinent to everyday living based upon the foundation on which our society is based.

History courses enable students to connect the past events to the present and help thereby to prophesy more accurately the future. Geography enables students to gain a better understanding of the many problems of the peoples of the world; civics, on the other hand, teaches the needs of the individual groups in our society. Problems of democracy helps present the world-wide problems in a perspective that enables students to be concerned with the solutions.

VOCATIONAL ARTS

Vocational arts at Muncy High School include homemaking, industrial arts, and agriculture.

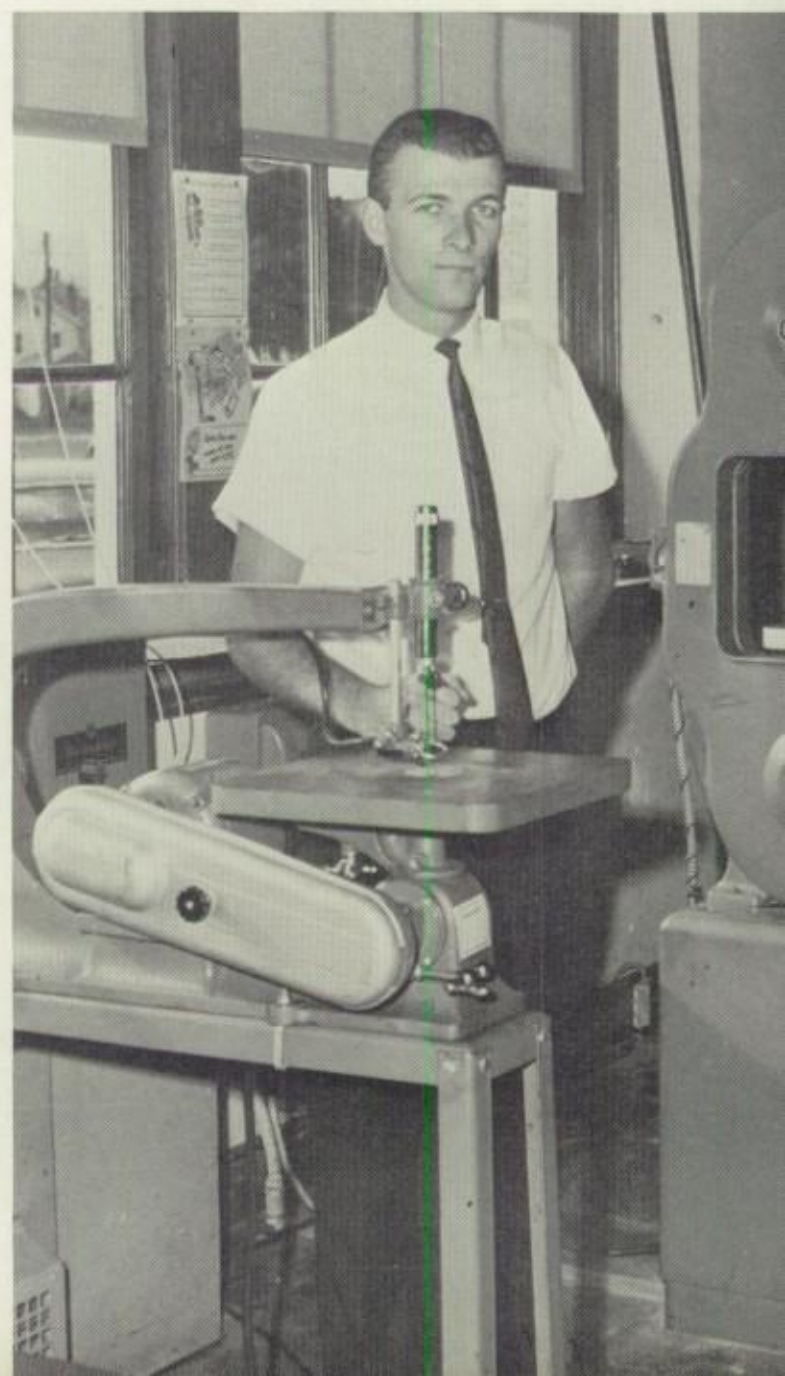

In the industrial arts department the students learn about the various materials used in the workshop and establish skills that will be useful to them.

The home economics course covers a large area of subjects. It includes the preparing and serving of foods, the sewing and care of clothing, home management, family relationships, and many other subjects that are required in homemaking.

The main objective of vocational agriculture is to give the students a good background in agriculture and to help establish them in farming.

SPECIAL DEPARTMENTS

Driver education, special education, and the library are included in the special departments at Muncy High School.

Driver education is offered so that the student has a better opportunity to learn the rules of safe driving.

Through its teachers and guidance counselors, the school seeks to assist students in making maximal progress toward suitable and satisfying careers.

The library provides a quiet place to read and has an excellent reference department. Many books are also available to the students for extra curricular and pleasure reading.

The special education course is offered so that the individual student can advance according to his ability.

 Stanley Schuyler—Head Coach
 Kenneth Kniley—Backfield Coach

Muncy's 1962-63 football team finished their season with a comendable 5-3-2 record. The inexperience of the team along with injuries hurt them throughout the season. However, the team finished strong as they defeated their last three opponents.

A multiple offense featured most of the Indian's attack. Muncy had a well balanced passing and running game.

In the final game of the season with Montgomery, which was also homecoming, Muncy used last minute strategy to win the game.

VARSITY BASKETBALL J.V. BASKETBALL

The Muncy basketball team, of coach Bill Higgins, completed the season with a fair record of 3 wins and 17 defeats. The squad loses only two boys next year, Gary Speary due to graduation and Fred Heilman because of his age. Inexperience and injuries hurt the team throughout the season. The record is somewhat misleading because several of the games were lost by only 1 to 5 points.

Returning next year will be seven letterman, Rich Opp, Jim Stroup, Porter Rathmell,

Dave Michael, Rich Frisch, Carmen Mack, and John Miller.

The Junior Varsity basketball team finished with a fair record of 3 wins and 17 defeats. They lost several games in overtime by only a few points.

Possible varsity material for next year includes Frank Kepner, Ed Burkholder, Tom Griggs, and Bob Detrick. They are coached by Mr. Robert Winn.

WRESTLING CHAMPS

Muncy's wrestlers went undefeated for the first time in the long history of the mat sport. Coach, Earl Poust, former Muncy and Penn State star, led his team to the championship of the West Branch Conference and to the District Four title.

Outstanding and most thrilling meets during the season were the "come-from-behind" wins over Hughesville and B. E. N. The Indians were down 17-6 in the Hughesville meet but five successive wins by Ott, Shipman, Musser, Scott and Frick put Muncy on top, 21-17. Muncy also trailed Bald Eagle 18-12 with two to go when Musser won by a fall and Scott by a decision to give the Indians a win and the W. B. C. title.

Five seniors wrestled their last matches for Muncy. They are Mike Wood, Tom Ott, Bob Shipman, Steve Musser and Bill Scott. The junior varsity with their coach, Lynn Poust, posted a 4-2 record. Many good boys on his team should help bolster the varsity for the 1963-1964 season.

SENIOR HIGH STUDENT COUNCIL

The Senior High Student Council, under the leadership of Mr. Hughes, consists of representatives from each senior high home room. The Senior High Student Council is the governing body of the senior high school. All other clubs and organizations must have the council's permission to sponsor dances and post bulletin boards. Also, if a new club

wishes to organize, it must obtain the council's approval.

The council sponsored the annual Beatnik Dance and a semiformal St. Valentine Dance. This year the members of the student council sold records in order to rent a soft drink machine for student use.

CANUSARAGO STAFF

The editors of the 1963 *Canusarago* were Gary Speary and Linda Wiser. Working with them were: John McCuaig, photography editor; Susan Lyons, Grace Holzworth, and Judy Karschner, copy editors; Judy Ritter and Linda Moser, typists; Barbara Stroup, business Manager; and Gael Vial, Nancy Moyer, and Mary Ann Rothfuss, advertising editors.

Mr. Stanley Schuyler is the yearbook advisor, and the yearbook staff wishes to thank him for the excellent co-operation he has given us.

The staff was well co-ordinated this year, working together to produce what the staff hopes is an organized yearbook which will leave a lasting impression on its readers.

CLASS PLAY

When Fred Hastings spends more money than his parents believe he is earning, when his friend Larry Madison attempts to get his chum out of hot water, and when an eccentric little lady of eighty decides to play football, any attempt at trying to preserve the sanity of other casual observers becomes futile.

Fred's mother, Cora, is planning a birthday party for Fred's girl, Nancy, but when two strangers, beautifully feminine, appear, in the persons of Gloria Patterson and Lois Corwin, the plot thickens, indeed. Fred is doomed; his job as model for Glamour Girl Cosmetics is about to be revealed. But leave everything to Larry, Larry insists. Gilbert Hastings, Fred's father, is furious when he learns of Fred's modeling job. Nancy isn't sure how she feels about it; Julie Tucker's chief concern is being able to keep the puppy Larry has bought for her on the installment plan. And that's when Melinda Whipple, that wiry bundle of energy, eighty years strong, appears.

The birthday party? It turns out to be something slightly less than an open-house affair, with a Mr. Danbury looking for local television talent, Bill Sterling looking for his girl, and Melinda Whipple looking for

enough space in which to make a touchdown in football. It was clossal, it was fabulous, it was the most hilarious evening of entertainment the Senior class could offer.

Shy Guy, a three-act comedy, was presented on April 25th, and 26th. The play was under the direction of Mr. Thomas O'Boyle, and as a result of his support and help, the play was a wonderful success. Acting in the class play gave all the participants a valuable experience and something to remember all their lives.

Practices started in February and continued through April, concentrating on the last three weeks before the play.

BAND

This year the band is under the direction of a new leader, Mr. Terry Lewis. Its activities include performances at football games, pep rallies, parades, concerts, a day at the Bloomsburg Fair, and a weekend at the National Cherry Blossom Festival at Washington D. C. Last year the band won second place in nonstate competition at this festival.

Being a band member requires active participation. During the summer months there are weekly practices, and during the school year the band practices several mornings a week at eight o'clock.

NATIONAL HONOR SOCIETY

The National Honor Society of Muncy High School is now in its fourth year. It is a national organization which was founded in 1921 to encourage a wholesome respect for scholarship, character, leadership, and service.

Students in grades ten to twelve who make the honor role two times each semester are eligible for membership. Election to membership is also based upon these qualifications: leadership in school activities, display of desirable character traits in school life, and services performed to the school. The Society's main activity is to publish the student handbook, *The Pathfinder*. The officers this year were: President, Linda Wiser; Vice-President, Garry Burgard; Secretary, Carol Burkhart; Treasurer, Marilyn Corson.

GIRLS' ATHLETIC ASSOCIATION

The purpose of the Girls' Athletic Association is to promote girls' interest in sports and to give them an opportunity to play in intramurals. All girls in senior high school who are interested in participating in sports are eligible for membership. The project of G.A.A. this year was to sell refreshments at the home basketball games and wrestling matches.

The club's advisor was Miss Jane Richmond, girl's physical education instructor.

Secretary, Sherry Bennett; President, Leslie Brown; Vice-Pres., Judy Springman; Treasurer, Joyce Johnson.

FUTURE FARMERS OF AMERICA

The Future Farmers of America is a national organization for boys studying vocational agriculture. The Muncy chapter of F. F. A. was founded in 1934 and has been active since. Each year the boys go to the Bloomsburg Fair and the Pennsylvania State Farm Show. Fund raising projects include selling vegetable seeds and painting and repairing farm machinery. The F. F. A. officers this year are:

President Donald Hill
 Vice Pres. Robert Shipman
 Secretary Carl Swartz
 Treasurer Donald Temple

First Row, Left to Right—Susan Wood, Bonnie Covert, Jane Johnson, Linda Moser, Susan Lyons, Linda Wiser, Grace Holzworth, Georgine Smith. *Second Row*—Ruth Wentzler, Susan English, Joyce Johnson, Bob Harriman, Gretchen Luft, Linda Mur-

SCOOP STAFF

The purpose of our school newspaper, *Scoop*, is to give interested students training in journalism, which includes writing and reporting, art work, typing, and production. As its name suggests, *Scoop* records school news and is fully a student paper.

This year *Scoop* was changed back to mimeograph form. The advisor is Mr. Geoffrey Wood. The co-editors were Jane Johnson and Bonnie Covert; the editors for 1963-64 will be Susan English and Joyce Johnson. Much credit goes to Linda Moser, the competent typing editor without whom the newspaper would have been impossible.

Left to Right—Mr. Wood, advisor, Bonnie Covert and Jane Johnson, co-editors.

First Row, Left to Right—Robert Robb, Frank Sherwood, Charles Michael, William Thursby, Charles

Pfleegor. Second Row—Bruce Wenzel, Tom Reynolds, John McCuaig, Harold Soars, Mr. Hose, advisor.

PROJECTIONISTS CLUB

The Projectionists' Club, under the supervision of Mr. Hose, benefits the school in many ways. Not only do the members aid classroom and assembly programs, but they also strive to keep the various projectors in top operating condition.

Left to Right—Sherry Andrews, Doris Jean Geringer, Carol Burkhart, Linda Gordner, Joyce Loupold,

LIBRARIANS

The student librarians assist Mrs. Wert in the duties of the library and, at the same time learn the function of library procedure. They charge books, sign library passes, work with the card catalog and clip resource materials.

Mrs. Wert, advisor, Joanne Kast, Ruth Wentzler, Sandra Budman, Joyce Johnson.

Seated, Left to Right—Gretchen, Luft, Mrs. Crawley, advisor, Grace Holzworth. *Standing*—Gail Miller, Judy Houtz, Mary Ann Poff, Barbara Lockhart, Judy Anderson, David Pepper, Madeline Reed.

FUTURE NURSES

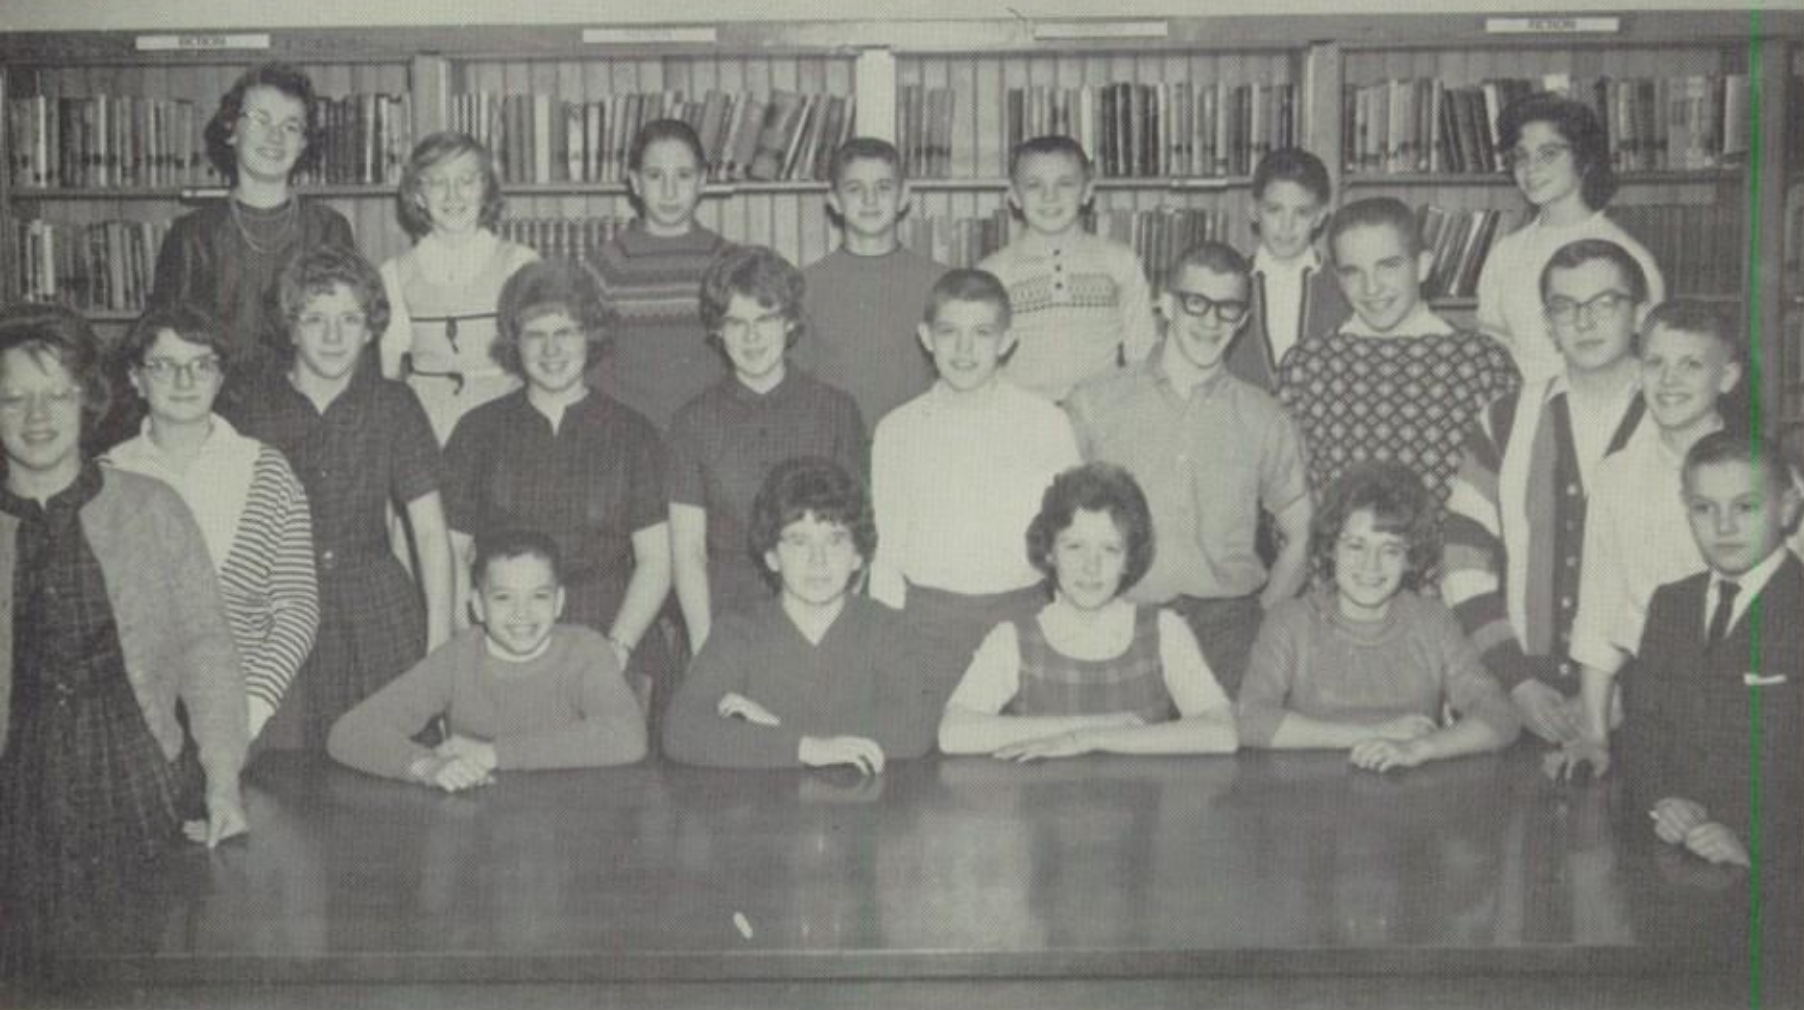

A newly organized club this year is the Future Nurses Club, which is under the direction of Mrs. Crawley. This club is open to students interested in any profession in the medical field. Activities this year included film strips, movies, speakers, and helping in the health room during study halls. The purpose of this club is to acquaint students with the different fields of medicine and give helpful information concerning them.

RUSSIAN CLUB

The Russian Language Club was a newly organized club this year. It is under the advisorship of Mr. Klotz. The purpose of this club is to acquaint the members with the Russian Language and to give them a basic understanding of it.

Seated, left to Right — Bonnie Covert, Karla Helldorfer, Mr. Klotz, advisor, Chris Fruet, Anita Hall. *Standing* — Melissa Krause, Gloria Kiefer, Ernie Hause, Bob Harri-man.

JUNIOR HIGH STUDENT COUNCIL

The Junior High Student Council, under the direction of Mr. George Houseknecht, is the governing body of Junior High. It is composed of two students, a girl and boy, from each homeroom in grades seven

through nine.

The Council sponsors dances for the Junior High and sells Prom Peanuts for money making projects.

Left to Right—Melissa Krause, Secretary; Pam Aldish, Vice-President; Mary Lee Dugan, President; Barbara Muir, Treasurer, absent.

SCIENCE CLUB

The Science Club is under the direction of Mr. George Dietz, science and biology teacher. The purpose of the Science Club is to enable the members to learn more about science. The club is composed of seventh, eighth, and ninth graders who are interested in any of the many fields of science. One of the highlights in the year's schedule is a tour of Sylvania. Other activities of the club include using the microscopes, doing experiments, having movies and lectures, and going on field trips.

Mr. Dietz points out interesting facts about birds to Science Club members.

ALMA MATER

Hail to Alma Mater dear,
Spread her fame in accents clear,
Shout her glory to the skies,
Tell the praise of dear old Muncy.
May our hearts be ever true,
To the colors white and blue,
Muncy High School, here's to you—
Hail to Alma Mater, Hail.

SCHOOL SONG

Here's to our dear old Muncy,
Praise to her colors true,
Junior and Senior High School,
Hail to the white and blue,
Rah! Rah! Rah!
Good times we had about her,
Sad times occasionally too,
But when it comes to good schools,
Oh! Muncy we're for you!
